

ARZANA Arabia Company

Power Distribution

Electrical Products

Electrical and Automation

Safety fall protection System

Testing & Commissioning

Ring Main Unit (RMU)

Metering RMU

Dry type transformer
Auto/ Isolation

Oil Distribution transformer
Aluminium / Copper

Automatic transfer switch

Low Voltage Switchboard

Disconnect Switch

Power Factor Correction

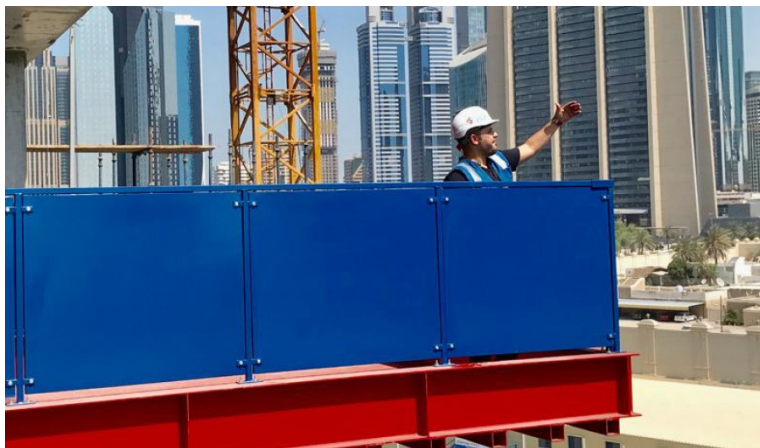

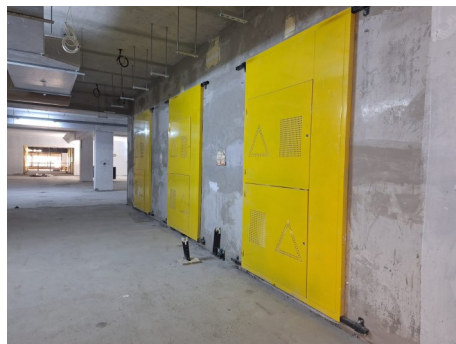

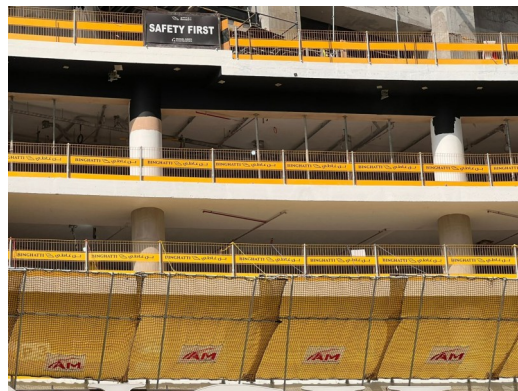

Uninterruptible power supply (UPS)
(Line interactive, Online, Modular)
Static transfer switches (STS)
Static voltage regulators
Stabilizers (AVR)
Frequency converters (60Hz/50Hz/400Hz)
Battery charger

UPS & Stabilizers

Safety Nets
Edge Protection
Loading Platforms
Shaft Gate

Safety & Protection Fall System

Batteries

Ni-Cd Batteries

Lead Acid Batteries

(AGM/ GEL/ Flooded)

OPzs Batteries

Lithium Batteries

Meters & precision

Multifunction meters

Digital mustimeters

Digital & Analog panel meters

kWh Energy meters

Current transformers

Protection relays

Transducers and isolators

Temperature controllers

Converters and recorders

Shelters & Containers

Telecommunication
Shelter

LCC Container

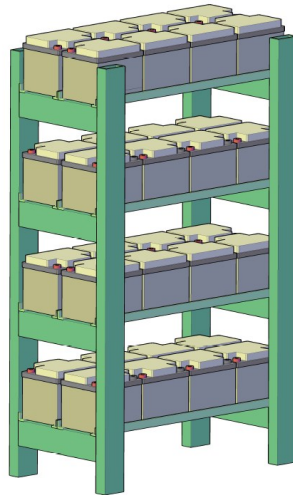

Electrical House

Data centre cabinets

Battery cabinets

Battery racks

Racks & Cabinets

Fire Alarm

Fire Fighting System

Fire Extinguisher

LED obstruction light

Fire Alarm & Fighting System

Testing and Commissioning of Electrical Substations

- Low voltage switchgear
- Medium voltage switchgear
- Power and auxiliary transformers
- Protection relays
- AC and DC panels
- Battery and battery charger
- Medium voltage power cables
- Capacitor banks
- Cable Terminations

Clients

ServCorp Building 13
Laysen Vally Complex
Al Urubah Road
Umm Al Hamam Al Gharbi District
Riyadh 12329 Saudi Arabia
